

**31ST INTERNATIONAL MEETING ON FORENSIC MEDICINE
ALPE – ADRIA – PANNONIA**

connected with

55TH KRSEK CONFERENCE OF FORENSIC MEDICINE

2 - 5 SEP 2026

Bratislava, Slovakia

FIRST ANNOUNCEMENT

**31st International Meeting on Forensic Medicine Alpe – Adria – Pannonia
and 55th Krsek Conference of Forensic Medicine**

INVITATION

Dear Colleagues and Friends,

We, forensic professionals in Bratislava, are honoured and pleased to organize and host, on behalf of the Slovak Society of Forensic Medicine, the **31st International Meeting on Forensic Medicine Alpe – Adria – Pannonia** together with **55th Conference of Forensic Medicine**.

The world becomes smaller and international cooperation, common projects and personal contacts are vital in academic life and research. We hope that the Congress will provide an opportunity to share new knowledge, learn about scientific and professional progress and exchange experiences with other colleagues in the forensic profession. The Congress will discuss the key issues related to all fields of forensic medicine and forensic sciences dealing in particular with new trends and new experiences such as artificial intelligence, forensic radiology and imaging, refugee crisis, new techniques in forensic science, quality management and accreditation and other. We hope that the Congress will be a forum where delegates can debate current challenges in forensic practice including education, training and research in view of the changing and complex environment in contemporary Europe.

It is our great pleasure to invite you to participate in this event. We do hope that both the scientific and social programmes will be successful, beneficial and enjoyable for all participants who have the opportunity to visit the beautiful Bratislava and spend your valuable time with us. We assure you that the organizers of this Congress will do their best to make the event a true success.

We look forward to seeing you in Bratislava!

Yours sincerely,

Jozef Šidlo
for the Organizing committee
